

DATA-SHEET

SPECIFICATION & DATA SHEET 物质规格数据表		Chemical Analysis: 化学分析	
Product Code: 产品编码	PA0247 5 271 41	Chemical Name: 化学名称	Adhesive MEYOR-21 粘接剂 MEYOR-21
Trade Name: 商品名称	Adhesive MEYOR-21 粘接剂 MEYOR-21	CAS No.: CAS 编号:	---
Synonym 同类名称	MEYOR-21		

Product Information: 产品信息

***Specification 规格

Appearance (visual inspection): 外观 (目测)	Grey Liquid 灰色液体	Viscosity(cps) 粘度(cps)	85-165
Solid content % 含固量 %	22.0-26.0	Flash Point(°C) 闪点(°C)	18
Density(d20) 比重(d20)	0.91-0.97		

***Typical Properties 主要特性

Grey Liquid, and the density is 0.91-0.97 ,General purpose rubber primer.	灰色液体, 比重为 0.91-0.97, 通用型橡胶底涂剂。
---------------------------------------------------------------------------	--------------------------------

***Recommended Applications 应用推荐

MEYOR-21 is a general-purpose rubber primer. It is combined with top coating type such as MEYOR-33 adhesive, etc., 8000 series adhesive to form a double coating system to increase adhesion and environmental resistance. Can be coated with nitrile rubber NBR, HNBR, PVC/NBR, ACM, etc. It has excellent adhesion to various metals such as various base steels, stainless steel, aluminum, iron, copper, and aluminum alloy.	MEYOR-21 是通用型橡胶底涂剂。与面涂型如 MEYOR-33 胶粘剂等, 8000 系列胶粘剂配合组成双涂体系, 以增加粘接性和耐环境性。可单涂粘接丁腈橡胶 NBR, HNBR, PVC/NBR, ACM 等。与各种基材钢、不锈钢、铝、铁、铜、铝合金等多种金属粘合性优良。
----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------------------------------------------------------------

***Handling and Storage recommendations 推荐使用和存储条件

Store in a cool, dry place away from heat and open flames. Storage period: container (25°C) is not opened for 12 months.	储存在 25°C 阴凉通风处, 未开封条件下, 正常可保质 12 个月有效期。
--------------------------------------------------------------------------------------------------------------------------	-----------------------------------------

***Package 包装

Package: 25kg/drum 包装: 25 公斤/桶
